We continue to follow guidelines from both the provincial and federal government and Public Health Canada, and when it is safe to do so, we look forward to announcing the return of our wine tastings, tours, events and other offerings.

Prior to re-opening, a number of health and safety measures were put into place to keep everyone at our winery safe. These safety measures include:

- Increased cleaning and sanitizing protocols for all private and public spaces at the winery
- Employee screening for COVID-19 prior to the start of every shift
- Mandatory increased hand hygiene for all employees, including ensuring there is hand sanitizer at every cash station and procedures during the guest check-out process
- Plexi-glass shields installed at all cashier stations
- Mandatory social distancing for everyone while at the winery will be enforced – we have installed barriers and marked floors to help employees and guests practice social distancing
- Employees must wear a mask when/if social distancing is not possible
- Guests must hand sanitize prior to entering the retail boutique
- Guests who have expressed symptoms of COVID-19 or who have travelled outside the country in the last 14 days will be asked to reschedule their visit
